MAY-JUNE 2008

No. 3

FROM THE EASTERN PERSPECTIVE

Well, Brethren, the calendar says it's spring, and with any luck at all, we've seen the last of the ice and snow. The past winter has been particularly bad this year for slipping and sliding. Good, though, for the emergency room business.

Looking forward, things will begin to turn green, new life. Already tulips and daffodils are looking up.

In the spring, all things begin to grow. Having been raised on a farm, we learned to respond to these signs, not the least of which this spring is John W. Barkley Lodge. This spring, we will grow by some 200 members. We've already seen an increase in Lodge attendance. To say it's great is an understatement.

One of the Lodges of which Cornerstone was composed was Brooklyn #454. The reason that Lodge is held so dearly, is because my father belonged there, having joined in early 1941, almost 30 years to the day before I joined Laurel Lodge.

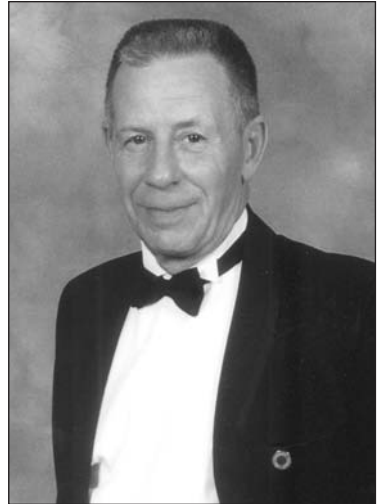

My father always had the highest regard for his Lodge. He kept a small book in his desk drawer with strict instructions to "Never Touch." If it was in code, I couldn't have read it anyway. He on several occasions went to Canada with them and brought back some very nice English China tea cups. I still have these cups.

So Brooklyn Lodge #454 was my earliest exposure to Masonry and has no doubt influenced my attitude of Masonry for life.

It would be interesting to see what Lodge documents would still remain. He was initiated February 12, passed March 26, and raised April 23, all in 1941.

Anyway, to the Brethren from Cornerstone, on behalf of the Officers of Barkley, WELCOME!!! Please come as often as you can. I would also point out that we put

FROM THE DESK OF YOUR SECRETARY MAY THRU AUGUST 2008

Brethren, the merger of Cornerstone Lodge No. 699 into John W. Barkley Lodge No. 621 should be completed by May 1, 2008. We welcome approximately 200-plus Brethren to join us. This will bring our total membership in Barkley Lodge to almost 700. All of the Brethren from Cornerstone are going to be endowed members.

To the Brethren from Cornerstone Lodge, the 2008 dues card you have will be your dues card for this year. No new dues cards will be issued, as your is valid thru 2008. The next card you receive will be from John W. Barkley Lodge.

If you have **not received anything from me** via e-mail, it is because I do not have your e-mail address. If you would like to be added to the Lodge e-mail database, please e-mail me at robert.jr2176@sbcglobal.net. This way we can keep you informed of up-coming activities, events, dinners, illness

and/or deaths in a very timely manner. Please put in the subject space "Barkley Lodge member and your Last Name." Please check your e-mail at least every other day. Presently I have 235 Brethren in the e-mail list.

Would any of the e-mail Brethren like to receive the *Barkley Light* via e-mail? I have received a reply from only 40 Brethren that they would like to receive the *Barkley Light* by e-mail. If you DON'T want it via e-mail, please let me know that also. Please let me know A.S.A.P.

Our Inspection this year in the Entered Apprentice Degree was on April 9th. As of this writing it has not yet happened, but with all the practice we have had and the officers we have, I am sure we did a great job.

Brethren, please start saving up, as I will be sending out 2009 dues notices in early September. The 2009 dues are still only \$40.00.

With the addition of the 200-plus Brethren from Cornerstone Lodge, I will need even more Brethren to help with the "Call Committee for Funeral Services" for the Brethren who are not on e-mail. Please call me at 216-521-5557 if you can assist me with this important job.

I hope to have a new membership directory by our first meeting in September. If you would like one, please come to your Lodge and pick one up.

Please try to bring in at least one new member into the Lodge so it may continue to exist for many years to come. ***Please bring one in!*** If you need a petition, just call the Secretary at 216-521-5557 and I will send you one A.S.A.P.

Our Worshipful Master, W.B. Allen Warner, is planning many activities for the Brethren of the lodge and their ladies to take part in. Please attend as many as possible.

SUNSHINE AND WELFARE

Since our last issue, we have lost a few Brethren and other family members who have departed this world and joined the **LORD** beside his **THRONE**.

Bro. Richard Van Os Keuls lost his brother, **Jack T. Van Os Keuls**, in late February.

W.B. Michael Petryshyn's wife, **Marcy**, lost her brother-in-law, **Joseph Milder**, who passed away on February 17, 2008.

Helen Jackson, wife of **Bro. William R. Jackson**, has informed us that **Bro. Jackson** passed away in California on February 20, 2008.

Bro. Alex J. Sonkoly passed away on February 26, 2008.

Christine Reust, widow of our **P.M. Charles Reust**, passed away on March 2, 2008.

Bro. Dan George, Jr. passed away on March 16, 2008.

Bro. Tony Fransetta's wife, **Lena**, passed away in Florida on March 31, 2008.

Bro. Bill Lovell had a fire at his house, mostly in his garage, on February 15, 2008.

Marlene Lowther Segner, companion of **P.M. James Segner**, informed us March 17, 2008, that he took another tumble in the bathroom, shattered his right ankle and fractured his left ankle. He has nine steel pins and a plate in the right ankle and a boot on the left ankle. He continues his chemo treatments during rehab time.

Bro. Charles Rager was admitted to Parma Hospital for observation and tests on April 4, 2008. He is now home at print time.

Dorothy Wiggers, wife of **Bro. Floyd Wiggers**, is still hospitalized at press time, but coming along OK. We look for her to be home soon.

I'm sure that prayers, cards, calls and visits would be very much appreciated by those suffering. May they all have our prayers for a speedy return to great health.

Please call your Lodge Secretary and/or other officers to tell them of those in need of prayers or other attention, be it yourself, a family member or another individual. We cannot know if you do not tell. Please be our eyes and ears.

NEED A GOOD BOOK?

I've spoken to a few Brethren around the Lodge about what reading they've done on their own to further their Masonic knowledge. One book seems to be common among all of them, and that is **The Hiram Key by Christopher Knight and Robert Lomas**. What was even stranger is that none of those Brethren ever talked to anyone else about the book to expand on its many topics.

This is a book that I read a long time ago but could use a re-read to brush up. If there are any other Brethren interested in doing the same or picking it up for the first time and would like to discuss, let me know. The book by itself is very interesting, but the perspective of others usually puts a spin on what you may have thought or believed. Please contact me or our Senior Deacon, Tom Klecan, if you are interested. The book can be purchased through Amazon.com and at local bookstores (Borders, Barnes & Noble).

Bro. Jason L. Stitak, S.W.

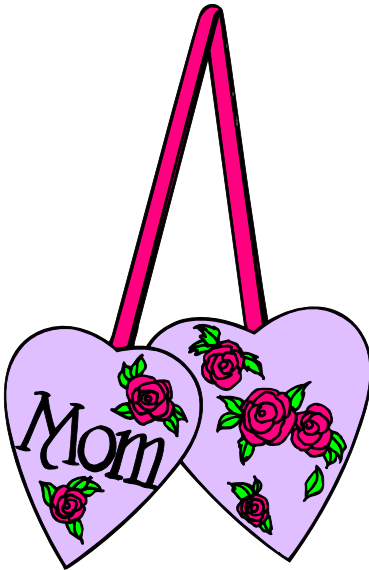

THE VIEW FROM THE WEST

Well, May is upon us and five of the ten months we have in this Masonic year are over. March and April were filled with practices and then our annual inspection in the EA degree. Congratulations to the officers, the hard part is over! One very important event happened in those two months, which was the Barkley-Cornerstone merger. As of April 1st, we welcome the Brethren of Cornerstone #699 to John W. Barkley Lodge #621. We look forward to working with our new Brothers to build an even stronger Barkley Lodge.

Now that we are in May please be aware that applications for the Coates-Alcot scholarship are due to the Lodge by the 15th! We also are looking forward to our degree work at Quarry Lodge on Wednesday, May 14th. Brethren, please stop by as your officers can always use your support. At the end of May we will have our Widow's Night/Strawberry Social with a guest speaker. This event is open to all our membership.

June is around the corner which means we will be going dark soon. It is amazing how fast this year is going. We are always looking for new things to do or try at Barkley. If you have any suggestions regarding events/dinners/Lodge activities, please feel free to tell an officer your ideas. As we move up through the chairs it is always helpful and valuable to have the input from our Brethren.

Bro. Jason L. Stitak, S.W.

Only One Mother

*Only one Mother, a lifetime through,
Though so many other things come by two.
The rainbows, the starlight, the beautiful things.
Each new tomorrow, another one brings.*

*Plenty of roses and sunsets and such,
Green grass and blue skies that still mean so much.
The sunshine of summer is waiting for you,
Another bright springtime when winter is through.*

*But only one Mother, God meant it that way,
That she should be special and dearer each day.
He took part of all in this world bright and real
And made them a part of the Mother ideal.*

*Do cherish this treasure, so precious and rare,
For she has a heart and is willing to share.
God's greatest creation, more dear than all others;
All else comes in dozens, but only one Mother.*

SCOTTISH RITE WILL INSTALL OFFICERS

My Dear Brethren,

I am writing to invite everyone to the installation of officers for Scottish Rite, to be held at 3615 Euclid Avenue on Monday, May 5, 2008. W.B. Mark Bollinger will be elected to the position of Deputy Master for Lodge of Perfection, and I will be elected to Sovereign Prince for Bahurim Council. This is very exciting for me as Sovereign Prince is the highest position in Council; it is like sitting in the east in Lodge.

There will be a short business meeting starting at 7:00 p.m., and the actual installation of officers will begin around 7:30. The installation is open to everyone, ladies included. There will be three new officers appointed to three of the lines of officers for Scottish Rite.

It would be very much appreciated if you joined us at the Scottish Rite Temple on Monday, May 5th, 2008. After the installation, there will be refreshments for everyone to enjoy.

Fraternally,
James T. Schultz, P.M., 33°

L.E.O. PROGRAM

THE NUMBER FIVE

The five senses of hearing, seeing, feeling, tasting and smelling are introduced into the lecture of the (*What Degree?*) F. C. Degree as a part of the instructions of the degree. In the earlier lectures of the eighteenth century, the five senses were explained in the first degree as referring to the five who make a lodge. (*Today it takes how many to open a lodge of entered apprentices? – 7*)

The subsequent reference to the winding stairs, and the introduction into the second degree, were modern improvements. As these senses are the avenues by which the mind receives its perceptions of things exterior to it, and thus becomes the storehouse of ideas, they are most appropriately referred to that degree of freemasonry, the Fellow Craft Degree, whose professed object is the pursuit and acquisition of knowledge.

In the third degree we find the reference to the number five as in the five points of fellowship ... anybody? *foot to foot, knee to knee, breast to breast, hand to back, and cheek to cheek or mouth to ear.* They are the duties owing by every freemason to his brethren, which, from their symbolic allusion to certain points of the body, and from the lesson of brotherly love which they teach. They are symbolically illustrated in the third degree, and have been summed up as "assisting a Brother in his distress, supporting him in his virtuous undertakings, praying for his welfare, keeping inviolate his secrets, and vindicating his reputation as well in his absence as in his presence."

Geometry, too, which is deemed synonymous with freemasonry, is called the *fifth science*. And, in fact, throughout nearly all the degrees of Freemasonry, we find abundant allusions to five as a sacred and mystical number

NEW LIFE TO A WORTHY CAUSE – PART 3

Our second dinner out/fundraiser in March was also a success. Between the two we have raised over three quarters of the money we need. Not bad for just going out to a restaurant to eat. I would like to thank everyone who helped make this work by either going out for lunch, dinner or ordering carryout. We even had a few brethren who made cash donations because they could not make it that day.

We will be having one more outing/fundraiser for the 2007-2008 school year at the end of June or the beginning of July. As of the writing of this article, I have not received confirmation of the exact date available. This one should cause us to achieve our goal of completely funding the “North Olmsted High School Scholarship.” Contact me, any officer of Lodge, or check out our webpage at <http://www.barkleylodge621.org> for more details. The date will be confirmed by the time this reaches print.

Some of the Brethren have made suggestions about other restaurants that have similar fundraising deals. If you know of any, feel free to let me know about them and I will check into it. You can e-mail me at robertwakefield@roadrunner.com; call me at 330-274-0626 (*leave a message*) or, of course, see me at Lodge.

— L.E.O. PROGRAM — WILLIAM PRESTON

We owe the form of the Fellow Craft Degree to a man named William Preston, who lived in England during the early days of speculative Masonry. Preston did not like the fact that lectures given in connection with the degrees of Masonry followed no ritualistic pattern, but could assume whatever form the Worshipful Master desired. He set about to write a formal lecture for each degree. After working on them for seven years he succeeded in having them adopted by the Grand Lodge of England.

Preston believed that one of Masonry’s principal duties was to bring light to a candidate by actually educating him. He believed that knowledge was the universal solvent for the problems of the world. In his time, however, there were few opportunities for the average man to acquire a formal learning. There were few schools, and not many men could attend them. And so, according to some Masonic authorities, William Preston conceived the idea of condensing in the Fellow Craft lecture as many of the elements of a formal education as possible.

THE MASONIC CALENDAR

Some Brethren may have noticed in different Masonic documents that the year is not even close to what we would understand it to be. I received a Certificate of Membership after I was raised which stated the date to be: April 9th, A.D. 2005; A.L. 6005.

Freemasons never make use of the common period or epoch in their official documentation. More interesting is that the year used is different depending on which rite referenced. The Masons of our country with that of most in Europe date from the the creation of the world (4000 BCE) and use the term Anno Lucis (A.L.), or translated from Latin: "in the Year of Light." Not claiming that Masonry has roots stretching that far back into time into the story of creation but as a symbolic reference to "light" in Masonry.

Scottish Rite Masons also use the date of creation but may use Jewish calendar. This would be Anno Mundi (A.M.) of "in the Year of the World." To find this year add 3760 to the year, and if it is after September add one year more.

Royal Arch Masons begin their epoch with the year that Zerubbabel began to build the second Temple. This was 530 years before Christ and is called Anno Inventionis (A.I.) or "in the Year of Discovery."

Knight Templars use the period of their organization of their Order which was 1118 A.D. This is denoted as A.O. or Anno Ordinis (in the Year of the Order).

Where are we today? 2008 A.D. = 6008 A.L. = 5768 A.M. = 2538 A.I. = 890 A.O.
